Attn: Mail Stop PCT-US/EO

INFORMATION DISCLOSURE STATEMENT

Enclosed is Form PTO-1449 identifying two (2) references.
Also enclosed are copies of the two identified references.

The present application is the United States National Phase of International Patent Application PCT/EP2004/013547. The two identified references were cited in the International Search Report issued in connection with the corresponding PCT application.

Each of the two identified references was cited in the International Search Report in Category A, indicating that each reference merely illustrates the background state of the art is not considered to be relevant to the claims.

Applicant respectfully requests that the two identified references be formally cited of record in connection with the United States National Phase as generally illustrating the background state of the art.

Respectfully submitted,

Mark P. Stone
